Black Creek Elementary Middle School is excited to announce our upcoming summer school will be held Mondays–Thursdays from 8am to noon at Black Creek School.

It starts on Monday, June 9th and ends on Thursday, June 26th

Sign up even if you can attend some of the days.

4K STUDENTS

Our 4K students will get a “Jumpstart to Kindergarten” experience during summer school.

Kindergarten Readiness

Current 4K students will continue to learn and grow in their journey to 5K Readiness. Exciting learning in the areas of reading and math will take place along with fun summer activities. These activities will support their growth as Kindergarten students.

5K-8TH GRADE STUDENTS

Summer school includes a rotation of the following classes.

Students will be able to have choice between some different classes at different grade levels. All student classes will be built based on their current grade level. A description of each class is below.

Story hour - Open Library

Students will enjoy songs, crafts, games, and of course stories. All students will visit the library and have the opportunity to check out books for summer reading.

STEAM

Students will enjoy projects and experiments in the areas of Science, Technology, Engineering, Arts, and Mathematics. All students will get to have fun exploring, designing, building, and testing projects from all types of science.

Cooks N Books

Students will be connecting cooking activities to books. Multiple activities will happen around the skills of math, science, and reading.

Sports of All Sorts

Students will be involved in a wide variety of large group activities usually played throughout the school year in physical education class. There will be a focus on sportsmanship, game strategies, and having fun while exercising and increasing their heart rates.

Fun in the Sun

Students will engage in team-based outdoor activities like capture the flag, kickball, relay races, ultimate frisbee, cornhole, and volleyball, promoting teamwork, friendly competition, and fun outside.

Around the World

Students will journey around the World experiencing culture through crafts, music, stories, language, and more.
