

# Rock Ledge Intermediate

## 2025 Summer School

As we continue to expand our summer school offerings, we are excited to introduce new classes in our **June Summer School** program.

All of our summer school classes are open to **current students in grades 2nd - 4th**. We highly encourage any students in the Seymour Community to take advantage of these exciting programs!

Our summer programs provide students with:

- ✓ **Hands-on learning** experiences that make education fun and interactive
- ✓ **Opportunities to build confidence** in academic and social settings
- ✓ **Skill development** in teamwork and leadership
- ✓ **A chance to stay active** and engaged during the summer

**Registration Opens: March 31st -**

**Everyone is encouraged to complete registration by April 17th for planning purposes**

**When: June 9th - June 26th, Monday - Thursday from 8:00 - 12:00.**

**Who: Students currently in 2nd - 4th grade  
(current 5th graders will register and attend summer school at SMS)**

Take a moment to explore these exciting classes below and sign up through **PowerSchool** in the **Parent Portal** or call the **RLI office at 920-833-7380 x 202** if your child isn't currently attending **Seymour Community Schools**. We look forward to a summer of learning, growth, and fun!

# Rock Ledge Intermediate

**Session 4: 11:00 - 12:00 PM**

<b>Current 2nd - 4th Graders</b>					
<b>8:00 - 9:00 AM</b>	Fun with Fitness	Adventures with Legos	Math Adventures	Coding and Computer Games	
<b>9:00 - 10:00 AM</b>	Fun with Fitness	Adventures with Legos	Math Adventures	Coding and Computer Games	
<b>10:00 - 11:00 AM</b>	Fun with Fitness	Literacy Sparks Creativity	STEAM Explorers	Mad Scientist	Music Mania
<b>11:00 - 12:00 PM</b>	Fun with Fitness	Literacy Sparks Creativity	STEAM Explorers	Mad Scientist	Music Mania

**Fallen Timbers** - Students in grades 2nd - 4th will attend on June 16th - June 20th from 12:45 pm - 2:45 pm. Students may take a bus directly from Rock Ledge to Fallen Timbers. Students who will be riding the bus should arrive at Rock Ledge by 12:00 pm. If transportation is not needed, students should be dropped off at Fallen Timbers for 12:45 and picked up at 2:45 pm. Students that take the bus directly from summer school should bring a bag lunch. Students will need to be picked up at Rock Ledge Intermediate at 3:00 pm.

# Classes and Descriptions

## 1- Fun with Fitness

 **Get Active, Have Fun, and Feel the Beat!** 

This high-energy summer class combines **movement, music, and physical education** to keep kids active and engaged while having a blast! Perfect for students who love to move, this program encourages fitness, coordination, and teamwork through fun activities that blend **dance, sports, and rhythmic exercises**.

## 2- Music Mania

 **Feel the Beat, Make Some Noise, and Have a Blast!** 

Get ready for a summer full of rhythm and fun in our **Music Mania Summer Class**! This energetic and interactive program introduces kids to the exciting world of **music, instruments, and creative expression**. Whether they're singing, drumming, or exploring different sounds, students will discover the joy of making music in a fun and supportive environment.

## 3- Adventures with LEGOs

 **Build, Create, and Explore!** 

Embark on an exciting journey of imagination and discovery in our **Adventures with LEGOs Summer Class**! This hands-on program encourages kids to **design, build, and problem-solve** using their favorite LEGO bricks. Through fun challenges and creative projects, students will develop **critical thinking, teamwork, and engineering skills** while having a blast!

## 4- Math Adventures

 **Think, Solve, and Succeed!** 

Join our **Math Adventures Summer Class** for a fun and engaging way to boost math skills and critical thinking! This interactive program makes math exciting through **games, puzzles, and real-world problem-solving challenges**. Perfect for students who want to sharpen their math abilities while having fun!

## 5- Literacy Sparks Creativity

  **Read, Write, and Imagine!**  

Ignite a love for reading and writing in our **Literacy Sparks Creativity Summer Class!** This exciting program blends storytelling, creative writing, and hands-on activities to help students develop strong literacy skills while **fueling their imagination and self-expression.**

## 6- STEAM Explorers

  **Explore, Create, and Innovate!**  

Join our **STEAM Explorers Summer Class** for an exciting journey through **Science, Technology, Engineering, Art, and Math!** This hands-on program encourages curiosity and creativity as students **experiment, build, and discover** through fun, engaging projects that combine critical thinking with imagination.

## 7-Coding & Computer Games

  **Code, Create, and Play!**  

Dive into the exciting world of technology in our **Coding & Computer Games Summer Class!** This hands-on program introduces kids to the fundamentals of **coding, game design, and digital creativity**, empowering them to build their own interactive games while boosting **problem-solving and logical thinking skills.**

## 8- Mad Scientist

  **Experiment, Explore, and Go Wild with Science!**  

Step into the lab and unleash your inner scientist in our **Mad Scientist Summer Class!** This **hands-on, high-energy** program is packed with **wacky experiments, mind-blowing discoveries, and fun challenges** that spark curiosity and creativity. Get ready to mix, bubble, and explore the wonders of science like never before!

## 9-Fallen Timbers Environmental Center

We will continue to highlight some of the more popular activities we offer at Fallen Timbers! This age level loves being outdoors, working with their hands, and exploring! We will kick off our week focusing on survival skills, incorporating some technology in the outdoors, digging around in the pond and the dirt studying bugs and insects, discovering what native animals we have around Fallen Timbers, and round out our week playing a couple of fun outdoor games and having a campfire with snacks!
