

# Junior Thunder Talk Conferences

Junior Thunder Talk Conferences will be starting October 15 and will be available into December. Each junior and their parent/caregiver are invited to sign up with their school counselor for this essential conversation.

These conferences focus on each student's strengths and successes and their Academic Career Plan, which helps them plan for high school and beyond.

Thunder Talks last 30-45 minutes and are offered from 7:30 am-5:00 pm. To schedule this appointment, click below:
