

Upload Photos for the Yearbook

Students, faculty, staff, parents, and guardians are encouraged to upload pictures for the yearbook. If you have great pictures from class, club activities, sports, dances, other events, or just hanging out during the school day. Our goal is to get every student in the yearbook at least THREE times. All photos get reviewed by the yearbook advisor before the yearbook staff has access to them. Therefore, keep them school appropriate or they won't be used

Students who submit pictures will have a chance to win a candy bar OR a Bubler.

Submitting is EASY
